Intelligence Community Staff
Washington, D. C. 20505

Dear John:

Your outstanding contribution to our efforts to add viability to the concept of a workable U. S. Intelligence Community has proved a source of much strength to me during my tenure in the DCI office.

I am particularly appreciative of the manner in which you joined with Dan Murphy in reorganizing and enhancing the effectiveness of the Intelligence Community Staff.

You combined a leadership role and a support role in a manner which I consider most impressive, and I extend my sincere thanks for the manner in which your efforts served to make my tasks more manageable.

My best wishes for the future.

With warm personal regards,

/s/ George Bush
